

Brought to you by grad students...
For graduate students!

VT GLU advocates for the needs of grad students and holds the University accountable through participating in shared governance and fighting for a living wage.

Goals:

- **Community** - to unite the grad workers of VT to advocate & support one another.
- **Social Progress** - to promote the welfare & protection of all in their pursuit of professional success.
- **Accountability** - to advance the welfare of all workers and uphold a safe and working environment

Historic Wins

We've been busy! Over the past three years, we have

- Learned about laws, VT policies & organizational structures **to stand up for our legal rights**
- Had members join most major University governance committees
- Held protests, letter-writing campaigns, and publicity campaigns advocating for a **living wage for graduate students**
- Had members involved in the hiring processes of professors, department heads, and deans
- Provided community support and a safe space for graduate students to **share their experiences and get advice**
- Affiliated with the Virginia and National Education Association teacher's union as a local branch
- Worked in collaboration with United Campus Workers VA to achieve common goals

WE STICK TOGETHER - LIKE GLU
